**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

Im a Consumer who support broadband competition. For example if I live in a rural community local broadband providers are so critical. Also, I Say NO to price hikes that will increase the cost of internet and telephone services. A competitive provider gives me a way to exercise my 1st amendment right to freely speak by supporting providers of my choice.
